

Suggested Conversion for Higher Education for students applying to Indian Universities

International Baccalaureate Diploma has been recognized by the Association of Indian Universities as an entry qualification to all universities in India. With the requirement for percentage conversion by universities in India, students applying to Indian universities receive a transcript with IB grades and - percentages within 1 working day from the release of results for the May and November session exams. The table below provides the range of IB grades to percentage scores. Universities in India ask for percentage conversion of the predicted grade transcript as well at the time of admission, schools may use this suggested conversion for calculating the equivalent marks on a scale of 1-100 by giving the midpoint of the range indicated for a particular grade.
