LET US NEVER NEGOTIATE OUT OF FEAR. BUT LET US NEVER FEAR TO NEGOTIATE.

Delhi Public school Ghaziabad believes in spreading awareness among children in order to make them aware of the ill effects of substance abuse. **Dr.Seema Gupta** interacted with students of Sr.Secondary wing and made students aware of the harmful effects of Substance abuse ,The onset of tobacco, alcohol and other drug use generally occurs during adolescence. Many teenagers experiment with these substances and then use them to point that their behavior starts interfering with school, family, social relationships and general productivity. Schools act as a safety net, protecting children from hazards that

affect their learning ,development and psychological well-being.
