Sanitation and hygiene starts with you and me.

A team of two teachers, Ms.Soma Singh and Ms.Kanika Khurana along with Secondary Wing students went to Poorv Madhyamik Vidyalaya, Morta Village on 19th August, 2017, as part of Swachh Bharat Pakhwada.

The students there were encouraged to inculcate a culture of self hygiene and sanitation.

Also, as part of school's Swachhagraha initiative, making of Bio Enzyme was demonstrated and its benefits were shown. Its benefits for making air, land and water clean and chemical free were stressed upon.

A demonstration on proper hand washing and cleaning was also given, so as to keep them germ free. All the students washed their hands before their mid day meal and took a vow to keep their surroundings clean and become green-clean ambassadors.

Students from both schools found the activity enriching and were empowered to become Swachhagrahis.
