IMS University, Ghaziabad organized the 2<sup>nd</sup> edition of IMSMUNC on 26<sup>th</sup> and 27<sup>th</sup> September, 2017.

A team of 13 students from Secondary Wing participated in the conference. Dhruv Maheshwari, class IX participated in the Ministry of Magic and won a High Commendation award. Kshitij Tripathi, Gauri Garg and Anshika, class VIII won a Verbal Mention. The event proved to be a wonderful learning experience for students.

**The International Royal Military College Young Scientist Conference and Exhibition 2017** was held at Kuala Lumpur, Malaysia wherein Kshitij Tripathi and Abhinav Sharma, class VIII under the mentorship of Ms. Sakshi Gupta brought laurels to the school by winning a bronze medal each.

After their magnificent victory, they visited KLCC, Putrajaya Mosque, Aquaria KLCC. They also visited the Handloom museum and participated in cloth painting. The city tour on the standard cruise was simply amazing.

**Dr. Harsh Vardhan, Honourable Minister of Science & Technology,** Government of India and Foundation of Glocal Science Initiatives appreciated the efforts of the students of Delhi Public School Ghaziabad for representing India at the International level. The event was held from 10<sup>th</sup> July to 15<sup>th</sup> July.

Hammad of class 8G and Utkarsh of class 10 G, two young skaters of Delhi Public School Ghaziabad played in Ghaziabad Roll Ball Team and secured 3rd place in the matches played from 1st Sep to 3rd Sep at PMS School Moradabad U.P.

### *Special Assembly on Dusshera*

*27<sup>th</sup> September, 2017*

*Good always triumphs over evil. The power of choosing good and evil is within the reach of all.*

A Special Assembly was conducted to mark the occasion of Dusshera. The programme started with a beautiful musical rendition of shlokas from Ramayana. A skit depicting the life of Lord Rama was presented by the theatre team which was much appreciated by one and all. The wonderful dance performance by students of class IX enthralled the audience. This essence of Dussehra was showcased in the most resplendent way by the young artists of the Secondary wing.

In all, the programme was a huge success.

**Swachhata Sewa Diwas** was celebrated in the school with a lot of enthusiasm and gusto. A plethora of activities was organized for various classes in which students participated whole heartedly and displayed their creative skills. Classes VII and VIII made innovative and informative **Posters** displaying their artistic skills. They also participated in the **Slogan Writing** activity. Students of class IX participated in the **Talk Show 'Cleanliness- Its impact on our surroundings and on our health'**. The audience thoroughly enjoyed the activity. Students came up with interesting measures that can be taken to keep the surroundings clean. Class X students participated in **Cleanliness Drive**. Students took out a rally to motivate one and all to contribute to this great mission. **Shram Daan** activity saw all the students enthusiastically cleaning their classrooms and surroundings.

Thus **Swachhata Sewa Diwas** was yet another feather in DPSG's cap which made the students aware of the importance of cleanliness and motivated them to keep themselves and their surroundings clean.

### **REPORT ON TEACHER'S DAY CEEBRATIONS**

Teacher's Day was celebrated with lot of fervour and excitement. On this occasion , students presented a rainbow of cultural programmes for their gurus.The programme started with GURU VANDANA-A tribute to the teachers .The melody dipped notes touched everyone's heart. Students of class 8, presented a humorous song which was a blend of harmony and humour. The students of class 9 presented a play highlighting the changing role of teachers from Gurukul times till the Modern Era. Students of class X stole the show with their foot tapping choreography highlighting the importance of education. Senior Secondary students organized a fun-filled activity wherein they involved some teachers in numerous funny activities. Principal Ms Jyoti Gupta urged the students to respect their teachers who are the sculptors behind their harmonious and well rounded personalities.

On 8th, 9th, 15th and 16th of September, 2017, teachers of Delhi Public School Ghaziabad-Meerut Road, Vasundhara, International, Palam Vihar, Sushant Lok, Dehradun, Damoh and Sehore attended a training program conducted by Teachersity- an organization that pioneers in empowering the educators. The objective of the workshop was to equip the teachers with all the essential techniques and methodologies required to teach the 21st century learners. The objective was successfully achieved through various sessions of fun filled activities.

September 27, 2017

It was a momentous day for Delhi Public School Ghaziabad, Meerut Road as the day saw the inauguration of ATL TINKERING LAB and TINKERING FEST. It is a matter of great pride for the school to be chosen by NITI Aayog to set up the said lab for which the school was given a grant of INR 20 lakhs. The purpose of this *Tinkering Lab* is to foster inquisitiveness and develop a scientific acumen in students..

Dr Dinesh Arora, Director, Niti Aayog, Mr Vinay Thakur , Director, Ministry of Electronics and IT, Mr Anshul Pathak, Vice Chairman and Treasurer, DPSG Society, Dr Vinnie Jauhari, Director Education Advocacy, Microsoft Corporation and Mr Sandeep Singhal, Head of PACE, Delhi were the luminaries to grace the occasion.

Principal Ms Jyoti Gupta formally welcomed the guests and thanked them for sparing their valuable time to grace the occasion. She hoped that this lab would provide students a platform to tinker, collaborate and showcase their skills. She urged the students to exploit new technology and employ out of the box thinking to bring about innovations.

Mr Anshul Pathak in his address highlighted the role of the school in creating a scientific temperament in its students.

Dr Dinesh Arora in his address complimented the school for being a hub of innovations and expressed his belief that DPSG would undertake the task of mentoring all the other schools.

Mr Vinay Thakur in his address urged the students to make scientific temperament their way of life and concluded his address by quoting Gandhiji's words, ' Be the change you want to see'.

Dr Vinnie Jauhari advised the students to inculcate a spirit of creativity, curiosity and innovation.

The fest saw participation from 30 schools of NCR.
