Counselling Session

Child Sexual Abuse

On 13th October, 2017, a counselling session was conducted by Ria Yadav, to make the students of classes 11 and 12 aware of 'Child Sexual Abuse' through Case studies and Interactive Methodology. The statistics associated with prevalence of Sexual abuse in schools, homes and society by the acquaintances were shared with the students. It was a very informative session and POCSO act was discussed in detail. It's a gift given to children as the burden of proof is not on the child. The child is assumed to be innocent and the accused is assumed to have committed the offence.

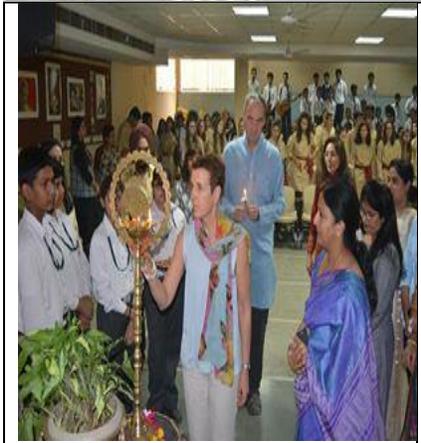

The right of the children to protect themselves against any abuse was highlighted. Some helpline numbers were shared so that the children can immediately inform the police in case they are facing any kind of problem or if they know someone who needs help. She also exhorted the students to confide in someone and let the law take its course.

Visit by French Delegates

French delegates, Ms. Gwenaëlle Mazuré, Faculty, English and Mr. Jean Philippe, Faculty, Mathematics along with 23 students from Lycée Lebrun, Coutance (Normandie) visited Delhi Public School Ghaziabad, India from October 26, 2017 to November 8, 2017. They visited the Indian Partner School as a part of the ongoing exchange programme. The tour included French students attending classes in school with their respective partners. They also visited New Delhi, Old Delhi, Agra and Jaipur. The French students participated not only in Yoga classes but also in the Tinkering Lab activities. They also participated in various sports events like football, soccer, basketball and badminton. The students learnt about Indian culture, traditions and lifestyle from Indian families.

On the day of farewell both Indian and French students presented Ganesh Vandana, French students and teachers shared their experience with the help of power point presentation. A surprise dance performance by the French students enthralled the audience.

The Exchange Programme was a wonderful experience for all the students who were a part of it. It enriched them with experiences that they would always cherish and memories they would always treasure.

Celebrating Diwali

“There is no exercise better for the heart than reaching down and lifting people up.”

On the auspicious occasion of Diwali, the teachers of Delhi Public School Ghaziabad, Sr. Sec. Wing donated generously to bring a sparkle in the eyes of the special children of ‘Asha Vidyalya-Ingraham Institute’. Sweets, pencils, erasers and sharpeners were distributed to support the noble initiative of imparting education to the challenged children. It filled the atmosphere with mirth and contentment and made the children of DPSG realise that compassion and care comes before everything. The students took a pledge to celebrate an eco-friendly Diwali.

The festivities continued as the children unfurled their creativity in Bandanvar Making and Rangoli which adorned the corridors of the Senior Secondary Wing.
